

IT KARRIERE

Product Owner - Stores Checkout (m/f/x)

Office location

Mülheim an der Ruhr (partial mobile working within Germany)

Contract

full-time - permanent contract

Corporation

ALDI International Services SE & Co. oHG

Start

10/01/2024

Area

Stores & Commerce

Job ID

463096

Your Job

What you give your best for.

- / **Product evolution:** Taking full accountability for the continuous improvement and development of ALDI's checkout systems and processes throughout their lifecycle
- / **Vision and strategy:** Continuously reviewing and updating the product vision, goals and strategy with a focus on enhancing checkout efficiency and the customer experience; Aligning measures taken with market trends, user feedback and ALDI's overall strategy
- / **Market and user needs:** Continuously assessing market trends, user requirements and data to identify new business and product opportunities, with a specific focus on the checkout process
- / **Stakeholder collaboration:** Engaging with different internal stakeholders to gather and prioritise the most valuable requirements and features
- / **Workshops and alignment:** Conducting collaborative workshops to outline the product vision, goals and strategy, ensuring that these are aligned with ALDI's business objectives and checkout improvement initiatives
- / **Backlog management:** Overseeing the demand backlog for checkout systems, including rejecting, refining, and prioritising requests while maintaining transparent communication with all stakeholders
- / **Feature specification:** Creating, aligning, refining and ordering product backlog items (e.g. demands, epics, user stories and requests), ensuring that the backlog is transparent and well-understood by all parties involved
