

Working Student Mobile Software Development (m/f/d)

We are seeking a motivated and enthusiastic working student to join our Mobile Team at trinamiX GmbH. As a working student, you will have the opportunity to gain hands-on experience and contribute to various aspects of our mobile software development projects. You will work closely with our team to support the testing and refinement of mobile applications.

**LOCATION**

Ludwigshafen, DE

**COMPA**

trinamiX GmbH

**JOB ID**

119515

**JOB CONDITIONS**

Temporary

**JOB FIELD**

Information Technology & Services

WHAT YOU CAN EXPECT

- Within your role you will perform manual tests with newly developed software, existing upgrades to ensure the quality on various devices and platforms (iOS, Android).
- Furthermore, you identify and document the issues using bug tracking tools.
- Last but not least, you collaborate with developers and QA team to understand application functionality and test processes.

WHAT YOU OFFER

- currently enrolled in a relevant degree program (e.g., Computer Science, Information Technology, Software Engineering)
- basic understanding of testing principles
- familiarity with bug tracking tools and creating and managing Test Plans in Azure DevOps is a plus
- good spoken and written English
- strong attention to detail and analytical skills
- good communication skills and ability to work collaboratively in a team environment
- ability to work independently and manage time effectively as well as adapt to new technologies and learn quickly
- capacity to work 20 hours a week

WHAT WE OFFER

- You can make coffee elsewhere - we give you responsible tasks from the very beginning and give you the opportunity to contribute your own ideas!
- Your work-life balance is important to us. That's why, as a working student, you'll have flexible working hours and the opportunity to work remotely so that you can better combine your working day with your student life.
- Fair salary of 15 euros per hour

Have we caught your interest? If so, please apply with your complete application documents (cover letter, CV, certificate of enrollment, current grade transcript, any other certificates) using our online form. We are looking forward to receiving your application and getting to know you!

HOW TO REACH US

- Yulia Haars (Talent Acquisition), yulia.haars@basf.com, will be happy to answer your questions for this position
