Frequently Asked Questions

Is there a registration deadline?

As a general rule, the earlier the better!

We can still include you in the trade fair application up to 6 weeks before the start of the fair. There is no registration deadline.

How do I book a booth?

Simply contact the sales team directly for a non-binding offer.

We will also be happy to assist you with your trade fair planning and advise you on your participation.

How many colleagues can staff the booth?

Feel free to bring as many colleagues as you like!

If you need more catering passes than those included in your exhibition package, you can book additional ones for just 59 € per person.

Are multiple sponsors possible? (e.g. Women in Tech)

Yes! Sponsorship and the associated costs for areas such as Women in Tech, AI, Cyber Security, or Green IT, can be shared by more than one company.
